Theodore Cicotte is Drowned  
In the Detroit River

BUT HIS PARAMOUR ESCAPES

Druggist Ross Released on Bail—Justice  
Patterson Arrested—Married Man  
In Trouble—His Aim Was Poor.

DETROIT, May 19.—Theodore Cicotte, a son of one of the oldest, richest and most aristocratic French families of this city, was drowned in the Detroit river last evening while sailing with a young woman named Muriel Miller, who deserted her children some time ago to become his paramour. The woman, clinging to the side of the boat and was washed ashore. Cicotte was 28 years of age, and a decade ago was considered one of the most promising youths in this city. Wealth, education, talents, social standing, all were his, but he cast them aside and chose for his companions fast persons of both sexes, sinking yearly in the social scale, until finally he found a place in the rogues' gallery. The body has not yet been recovered.

RETURNED TOO SOON.  
A Manatee Justice Arrested on a Very Serious Charge.

MANATEE, May 10.—Justice Dillon, charged with enticing young girls to his office for immoral purposes, skipped out a couple of weeks ago to avoid arrest. After remaining several days with one of his alleged victims in Rodney, Ont., and securing an affidavit from the girl declaring him innocent of improper relations with her, he returned last week, expecting the affair had blown over. He now realizes his mistake, as he was arrested last night for intimacy with Christina Young, a girl under 16 years of age. The girl is still in Canada, but the authorities have made arrangements to have her here in time to testify against the justice. The date of the examination has not been fixed. He is under \$1000 bonds. If convicted Dillon will receive a heavy sentence, as the girl is under the legal age of consent.

Ben Couldn't Agree—Alleged Train Wrecker Given Another Chance.

IONIA, May 19.—The jury in the case of Wallace Eddy and William McCoy, after arguing, voting and quarreling all night reported to the court this morning that they were unable to agree upon a verdict. This is the case wherein two young men were charged with attempting to derail a Detroit, Lansing & Northern passenger train, near Portland, last March. McCoy, at the time of his arrest, is said to have partially confessed to a railroad detective, but all this was denied at the trial and evidently the jury believed more of the young men's story than that of the detective. The case will be tried again.
